| 30/12/18 | Easy. | End of year mystery ride. | Mike 0458 146 948 |

Suggestions to make life easier for yourself and others on the ride.

Obtain the Ride Leader's mobile phone number at the start of the ride. This is handy in the event that despite the best efforts of the Leader and Whip, you become lost.

Tell the Ride leader or Whip when you leave the ride.

Carry at least one and preferably two spare tubes and a pump to fit those tubes.

Carry at least one water bottle with you on your bike.

Wear or carry clothing that is suitable for the expected weather conditions on the day.

Unless otherwise stated we stop for a picnic lunch. The Ride leader does not guarantee that there will be somewhere to buy food near the lunch spot.
